VALVE BAG AUGER PACKER

MODEL GWAP

Magnum Systems' GWAP Auger Packer is excellent for bagging a wide range of products, including seeds, resins, plastics, sand, rubber granulars, fertilizers, and abrasives. Practical design makes the GWAP transportable and adaptable to existing construction. To operate, place the bag on the spout and pull gate handle to start—fill shuts off automatically.

ECONOMICAL VALVE-BAGGING EQUIPMENT

Features

- Designed to fit a standard 5 1/2" valve bag
