Please download and complete an [employment application](https://www.magnumsystems.com/about/careers/). You can also find it on our website <https://www.magnumsystems.com/about/careers/>

POSITION DESCRIPTION

The Painter/Blaster is responsible for preparing parts for paint and final finish of stainless steel parts. This position paints finished products to customer specifications and prepares product for assembly and/or shipping. This position is responsible for determining sequence of operations as well as preparing, operating, and maintaining equipment for operation.

DUTIES & RESPONSIBILITIES

- Set up and operate all blasting and polishing machines.
- Paint finished product to customer specifications.
- Sandblast metal parts to prepare for paint, glass-bead blasting of stainless steel parts, and grinding and polishing of food grade items.
- Load and unload paint racks.
- Stage parts.
- Barcode scanning.
- Prepare, operate, and maintain equipment for operation.
- Regulate machines by setting and adjusting controls.
- Maintain specifications by closely monitoring operations, inspecting parts, and adjusting machinery and procedures as needed.
- Operate hand and power-assisted painting equipment, air powered nail guns, and power saws.
- Assist with packaging of product for shipment to customer.
- Cross train in shipping, crating, and receiving.
- Other duties and responsibilities as assigned, including special projects.

KNOWLEDGE, SKILLS AND ABILITIES

- Operate scanner and locate parts for job orders.
- Use automatic paint mixing system. Understand and follow mixing and painting instructions for custom paint job per customer request.
- Read and understand work orders.
- Identify and distinguish colors.
- Read, write, understand, and speak English.
- Ability to read, understand, and follow directions and internal procedures and policies.
- Ability to cooperate, work, and communicate, both verbally and written, with co-workers, supervisors, and/or outside contacts.

THE PEOPLE, PARTS, AND SYSTEMS THAT KEEP THE LINE MOVING.

EDUCATION AND EXPERIENCE

Required:

- High School Diploma or GED.
- Minimum 1 year comparable work experience.

Preferred:

- 2 years comparable work experience.

ADDITIONAL REQUIREMENTS

- Must be able to pass a respirator fit test. No facial hair allowed that will prevent a respirator from fitting and sealing.

PHYSICAL ACTIVITY AND REQUIREMENTS

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job:

- Heavy lifting, carrying, and/or moving up to 70 lbs.
- Frequent standing up to 100%.
- Occasional squatting and sitting.
- Grasping, pushing, pulling, holding, carrying, and manipulation of grinding, polishing, and blasting tools.
- Ability to use hands to finger, grasp, handle, hold, feel or carry objects, tools, or controls.
- Rotating fingers, hands, or wrists.
- Ability to identify parts and tools, observe operation of equipment, and visually inspect completed parts.

OTHER DUTIES

This job description is not designed to cover or contain a comprehensive listing of activities, duties, or responsibilities that are required

ABOUT US

Magnum Systems was formed in 2001, but is built on two quality brands Smoot and Taylor Products, both dating back to the 60s. Smoot was founded in 1960 in Kansas City, KS with a focus on manufacturing pneumatic conveying systems, components, and our prized rotary airlock valves to serve all industries handling dry bulk solids. Taylor Products was founded in 1969 in Parsons, KS initially providing bagging and packaging equipment to the seed industry, and our offerings have expanded in bagging, packaging, and container handling through integrated technology like robotic automation.

Our wide range of systems and customers offer plenty of opportunities to put your skills to the test and learn a few new ones. Our managers know great talent when they see it, and we invest in what makes Magnum Systems a leader in our field – people like you.

JOIN OUR TEAM

If you're looking to find a place where the people are passionate about what they do and work on a team that is looking toward the future, Magnum Systems is the place for you. Roll up your sleeves and work alongside the best in our industry. We offer quality benefits:

- Health, Dental, Disability, and Life Insurance
- Pre-Tax Savings Program
- Paid Time Off
- 401K
- Profit Sharing Program

WORK AUTHORIZATION

Applicants must be legally authorized to work in the United States. Verification of employment eligibility will be required at the time of hire. Visa sponsorship is not available for this position.

Magnum Systems' policy is to provide equal opportunity to all people without regard to race, color, religion, national origin, ancestry, marital status, veteran status, age, disability, pregnancy, genetic information, citizenship status, sex, sexual orientation, gender identity or any other legally protected category.

Magnum Systems is proud to be a drug-free workplace.
